

**FTA Product Description  
Price List**

*January 2012*

Model #	Description	Price
<u>Hardware</u>		
ADwin-Gold	64 Mb DSP processor with cable assembly and power supply (discount available for purchase of ADwin-Gold only)	\$9,430
RMK	19" ADwin rack mount kit	500
FTA-DCPD	FTA reversing DC potential drop system	10,400
FILTER	Filter module for use with MTS FlexTest® controller (two filters required for FTA compliance software)	75
PC	Dell PC with 17" monitor, pre-loaded with software and drivers (incl. 3 year on-site warranty)	1,500
<u>Application Software</u>		
<u>ASTM E647</u>		
FCGR-C	Fatigue crack growth rate - compliance	5,500
FCGR-ACR	Fatigue crack growth rate - compliance (with Adjusted Compliance Ratio capability)	8,500
FCGR-D	Fatigue crack growth rate - DC potential drop	5,500
FCGR-C/D	Fatigue crack growth rate - combined compliance and potential drop	7,875
FCGR-VA	Fatigue crack growth rate - variable amplitude	5,500
<u>ASTM E1820, 1921</u>		
NLFT-C	Non-Linear Fracture Toughness – unloading compliance	7,350
NLFT-D	Non-Linear Fracture Toughness – DC potential drop	7,350
NLFT-C/D	Non-Linear Fracture Toughness – combined compliance and potential drop	10,500
Grapher 5.0	Windows plotting software	300

Custom software available upon request.  
Full software price includes training at FTA in Bethlehem, PA.  
Software is discounted 50% after purchase of first application.
