

## **FTA Product Description Price List**

*September 2008*

Model #	Description	Price
<u>Hardware</u>		
ADwin-Gold/USB	Standard system with program and data memory upgrade and communication link (combined unit)	\$8,600
RMK	19" rack mount kit	500
Cable	Cable assembly	250
Power	External power supply	250
PD-500	DC potential drop system	10,900
PC	Pentium IV computer with network card and 17" monitor; pre-loaded with software and drivers	1,500
<u>Application Software</u>		
<u>ASTM E647</u>		
FCGR-C	Fatigue crack growth rate - compliance	5,000
FCGR-D	Fatigue crack growth rate - DC potential drop	5,000
FCGR-C/D	Fatigue crack growth rate – combined compliance and potential drop	7,500
FCGR-VA	Fatigue crack growth rate – variable amplitude	5,000
<u>ASTM E1820, 1921</u>		
NLFT-C	Non-Linear Fracture Toughness – unloading compliance	7,000
NLFT-D	Non-Linear Fracture Toughness – DC potential drop	7,000
NLFT-C/D	Non-Linear Fracture Toughness – combined compliance and potential drop	10,000
Grapher 5.0	Windows plotting software	300

Custom software available upon request.

The full software price includes training at FTA in Bethlehem, PA.

On-site installation and training may be available for an additional charge.

Software is discounted 50% for each additional application.
